Cookie management policy

Information about cookies

This policy gives you a better understanding of how cookies work and how to use the current tools to set them.

Our website uses cookies (internal and third party) to ensure its proper functioning and to facilitate your browsing.

Third-party cookies are deposited, with your consent, in order to establish statistics on the number of visitors and to improve the interactivity of the site (sharing buttons, etc.).

What is a cookie?

A "cookie" is a piece of information, usually small, identified by a name that can be sent to your browser by a website you are visiting. Thus, when you visit our website www.quantalys.fr, information relating to the browsing of your terminal (computer, tablet, smartphone, etc.) on our website may be recorded in text files (cookies) installed on your terminal. They may be used to provide you with personalised services, adapted to your terminal. Cookies are managed by your web browser.

In any case, the cookies we use are used in accordance with your choices. You can change your choices at any time via the following link "Manage my cookies".

Please note that only the sender of a cookie can read or modify the information contained in it.

The different types of cookies used on our site

Our site uses both internal cookies (deposited by Quantalys) and cookies deposited by third parties.

1. **The cookies deposited by Quantalys are strictly necessary for the proper functioning of the site:**

Technical cookie

Cookie Consent

cc_cookie

Retention period: 6 months

Purpose: Saving of your cookie consent choices

2. **Third-party cookies:**

Matomo
